

**"SOMETHING SWEETER THAN CHOCOLATE IS NOW COMING FORTH OUT OF HERSHEY, PENNSYLVANIA...A WOMB OF 'HEALING AND CURES' FOR THE NATIONS IS NOW OPENING!"**

I HEARD HELL SAY, "BLAME THE ORPHANS FOR THE HEALING OF HERSHEY, PENNSYLVANIA!"

Milton Hershey was a great man. Milton Hershey's wife Catherine couldn't have children so they adopted four orphans. When Milton Hershey died he left a large sum of money to orphanages. Today there are ten thousand acres of land near Hershey, PA with 130 homes that house 8-10 children with more homes being built all the time. There are about twelve hundred students living there ( orphans and underprivileged children. ) They have their own school, first through twelfth grade, and community. I once ministered at one of the homes and two small children opened up the meeting by blowing shofars!

Catherine Hershey also had a muscular progressively deteriorating disease that doctors were unable to diagnose, and said it would eventually take her life. This motivated Milton Hershey to have the best doctors available to Catherine and later funds to have a research hospital in Hershey. The Hershey Medical Center was started with \$50 million Hershey Trust funds

Milton Hershey had a ticket to go on the Titanic and at the last minute his wife took sick and he missed going on it. The Titanic went down and his life was spared. God had his hand on this man. Milton got saved in later years.

"I HEARD HELL SAY, "BLAME THE ORPHANS FOR THE HEALING OF HERSHEY, PENNSYLVANIA!"

I saw one of the greatest outpourings of healing being erected as a healing zone invading and surrounding the community at large ( I do mean large! ) of Hershey, PA. I heard a strong angel decreeing... "And there shall be 'drive thru' healings taking place in this city and surrounding it's borders!

"A 'WOMB OF HEALING' NOW BEING OPENED TO GIVE BIRTH TO 'HERSHEY HEALINGS AND CURES' FOR THE NATIONS!"

I heard the enemy complaining and regretting the days that the womb of Milton Hershey's wife could not conceive. "Now we got a 'womb of healing' opening up in this place where multitudes will conceive their healing for the nations!" I heard the stronghold spirit over Hershey crying out to Hell... "It's Hershey, we got a problem!"

I saw the angels of orphans and underprivileged children standing before the face of the Father bringing their cries of Abba, Father and their tears for Daddy to come home to Hershey to be with them. I heard the Father dispatching like a news alert back to these orphans and children... "I'll be there with bells on! I am coming to bless the day Milton Hershey blessed my orphaned, fatherless children. I am coming to bless the whole town, city, and beyond it's borders! It's fame will go throughout the earth to break the orphan spirit off of nations in this last day as I am turning the hearts of the children to their fathers and the hearts of the fathers to their children!"

I saw angels dropping cures of diseases into the Medical Hershey Center. Unknown sicknesses and diseases were being given names and angels were dropping these names down and cures were following behind them to be released to the world!"

"THE POWER OF THE CRIES OF THE FATHERLESS!"

I heard the enemy proclaiming throughout all of hell... "We have been working over time to stop those praying Christians and to bring division to those churches and families but we have overlooked the power of the cries of the fatherless! Those cries were coming from outside the church and ascending straight to the Throne of their real Father! And He's coming to Hershey with full force!"

"A little child shall lead them!"

As a sweet smelling aroma ascended from Hershey, Pennsylvania to the throne, trembling words from Hell came screaming.... "I SMELL CHOCOLATE, I SMELL MILK, AND I SMELL HONEY.. IT SMELLS LIKE THE PROMISED LAND!"
